Dear Mr Fortress

We are so excited that after so many years of holidays in Orlando you are about to embark on a new adventure in Florida. The itinerary we have put together for you is going to take your breath away.

Florida's State Road A1A is one of the most scenic road trip routes in the nation. It runs along the most eastern border of the state, about as close to the water as you can get.

The views couldn't be better. A1A is a beach-lover's paradise, because it hops from beach to beach. As a bonus, Florida tends to be less expensive than California (except for a few regions near Jupiter Beach), making this beach-hopping car tour both budget-friendly and super laid-back. We have however added a luxury touch for you but some of the best hotels in Florida has to offer.

This is the itinerary that we discussed on the phone. You will see that we have put together a whole array of videos and detail descriptions for each day of your itinerary. If there is anything that you would like to change please let me know and I will update the itinerary accordingly.

Kind regards

Jonny Turquoise

## MIAMI, FL

Any trip to Florida is not complete without a peek at Miami's grand array of attractions. When most people think of Miami, the first thing that comes to mind is the spectacular beaches. But there's a lot more to Florida's party city than its amazing white sand and crystal blue waters. A vibrant, energetic city all year round, Miami boasts beautiful parks, gardens, spots to unwind and places to rave it up.

## Location

Located at the mouth of the Miami River on the lower east coast of Florida, Miami is bordered on the east by Biscayne Bay, an arm of the Atlantic Ocean. Further east, the islands of Key Biscayne and Miami Beach shelter the bay from the Atlantic Ocean, thus providing Miami with a naturally protected harbor. Once pine and palmetto flatlands, the Miami area boasts sandy beaches in its coastal areas and gives way to sparsely wooded outlying areas. A man-made canal connects the city to Lake Okeechobee, located 90 miles northwest of Miami.

Miami's year-round semi-tropical climate is free of extremes in temperature, with a long, warm summer and abundant rainfall followed by a mild, dry winter. Summer humidity levels—usually in the 86 to 89 percent range during the day—make Miami the second most humid city in the United States. Hurricanes occasionally affect the area in September and October; tornadoes are rare. Waterspouts are sometimes sighted from the beaches in the summer, but significant damage seldom occurs.

Area: 36 square miles (2000)

Elevation: 12 feet above sea level

## When to visit

The perfect time for Miami holidays is between the months of March and May. At this time, visitors can enjoy daily temperatures that range in the mid 20's, while the remainder of the country persists in the defrosting phase.

## When to visit: Miami Beach

## LOCATION

  
virgin atlantic

Virgin Atlantic is the longhaul airline to fall in love with. More than five million people who want to depart the everyday, and fly the amazing way, travel with them every year to some of the best destinations around the world – North America, South America, Africa, and Asia. Step onboard and discover warm, welcoming service, award-winning entertainment, thoughtful design touches and stylish comfort for the best experience in the sky, no matter what cabin you fly.

## Business Class

## Business Class

Experience the next level of luxurious travel and enjoy every little moment! Travelling in Virgin Atlantic Upper Class makes your journey something to look forward to. They have considered every detail, starting with chauffeur driven car service, which will take you to and from the airport in style. Stylish Clubhouses and lounges have been carefully designed to help you relax and unwind in the airport before you fly. Upper Class cabins offer roomy leather seats that double as sumptuous flat beds, ensuring you arrive refreshed and ready for anything. To top it off enjoy the finest food and drink throughout your journey, so just sit back and relax!

## Upper Class (B747, A330, A340)

### Introduction

- The longest bed of any airline's business class product and many first class products.
- It provides passengers with customised luxury furniture for sitting on and a mattress for sleeping on so passengers do not have to compromise on the comfort of either.
- The 1-2-1 / 1-1-1 configuration means passengers have their own personal space with no 'step over' by other passengers.
- Passengers can recline in the seat even for take-off and landing!

## Heathrow Upper Class Wing

The Upper Class Wing at London Heathrow enables business passengers to speed through the terminal quicker than ever before, moving from limo to lounge in under 10 minutes. For the first time, passengers can benefit from a dedicated security channel, for use exclusively by Virgin Atlantic customers. After passing through this unique fast-track, they will emerge in the heart of the terminal building and only a short walk from the Virgin Atlantic Clubhouse. Upper Class passengers and Flying Club Gold members making their own way to the airport can check-in at the Upper Class Check-In, in Zone A of the main terminal, before taking a priority lift straight to the dedicated security channel. For those Upper Class customers not wishing to linger and enjoy the delights of the Clubhouse they can check

in 60 minutes prior to their scheduled departure time at the latest, and whizz through the dedicated security channel straight to the gate

## Upper Class (A330)

- Exclusive to the A330-200s, all Upper Class suites will feature direct aisle access and enhanced surface area for additional personal space
- The cabin boasts three different suite layouts to provide passengers with even more choice, including Love Suites, Corner Suites and Freedom Suites
- The seat fabric has been entirely upholstered with natural and soft Espresso leather, underlining the cabin's distinctive Virgin Atlantic flair.

## IMPORTANT INFORMATION

### Visas

#### \*\* United States:

Important information. Please read the Travel to the USA section in the Booking Conditions. There are, however, several rules relating to travel under the US Visa Waiver Programme (VWP) which we would like to highlight as follows: (1) Children and Infants must have their own passports; (2) All passports must be machine readable; and (3) All British passports issued on or after 26 October 2006 must contain a computer chip (also known as an e-passport). Furthermore, non-US nationals will be required to provide a valid US address to the airline at check-in or prior to departure. This must include the Street name, City, State, and Zip Code for your first night in the US. If you are transiting the US within 8 hours, you are not required to provide this information. ALL CLIENTS ENTERING THE USA WILL BE REQUIRED TO OBTAIN AN ELECTRONIC TRAVEL AUTHORISATION (KNOWN AS ESTA) BEFORE ARRIVING AT THE AIRPORT. WE CAN OFFER THIS SERVICE TO YOU AT A CHARGE OF £30 PER PERSON, OR YOU CAN APPLY ONLINE AT <https://esta.cbp.dhs.gov> THE APPLICATION PROCESS MAY TAKE UP TO APPROXIMATELY 15-20 MINUTES AND AUTHORISATION IS NORMALLY GRANTED IMMEDIATELY BUT MAY TAKE UP TO 72 HOURS. THIS HAS BEEN INTRODUCED TO REPLACE THE OLD SCHEME WHERE EACH PASSENGER WAS REQUIRED TO COMPLETE A GREEN VISA WAIVER FORM ON THE FLIGHT. WE RECOMMEND THAT YOU APPLY FOR AUTHORISATION AT THE TIME OF BOOKING OR AT LEAST 72 HOURS BEFORE THE FLIGHT DEPARTS TO ENSURE YOU ARE ABLE TO TRAVEL. Please make sure when entering names on the on line ESTA Application Form that they do match exactly as shown on the respective passports\*\*\*\*IT IS ESSENTIAL YOU COMPLETE THIS PROCESS BEFORE YOU DEPART OR YOU MAY BE REFUSED ENTRY INTO THE USA\*\*\*\*

### Important Note

We cannot under any circumstances guarantee that your visa application for any country will be accepted. However, in our experience refusals are extremely rare. Visa information is given in good faith and is accurate to the best of our knowledge.
